## A National Event.

The holding of the World's Fair in a city scarcely fifty years old will be a remarkable event, but whether it will really benefit this nation as much as the discovery of the Restorative Nervine by Dr. Franklin Miles is doubtful. This is just what the American people need to cure their excessive nervousness, dyspepsia, headache, dizziness, sleeplessness, neuralgia, nervous debility, fullness, confusion of mind, etc. It acts like a charm. Trial bottles and fine book on "Nervous and Heart Diseases," with unequalled testimonials, free at J. W. Gayle's. It is warranted to contain no opium, morphine or dangerous drugs.

Call at Wm. O'Donnell's new store to see the cheapest and most complete line of flannel and staple goods to be found.

## Jett.

Miss Maggie Quinn is visiting relatives in Louisville this week.

We have a very good quartette of gentlemen singers, composed of Messrs. Spicer, Stafford, Owen and Quinn.

MARRIED—At the residence of the bride's father, Geo. L. Thompson, Wednesday, September 30, Mr. Daniel M. Day and Miss Madola Thompson. Elder George Darsie officiating.

While the two horse wagon of Dr. Willis was being loaded with wheat at our depot, last Tuesday, the horses became frightened and ran off. While making the turn out from the depot pike, one, a young, beautiful bay, fell and broke his leg.

Messrs. Jas. R. Shaw and Wash. Crutcher attended the Fall Celebration this week.

Mr. W. T. Hunleigh, one of Lexington's finest artists, passed through our city this week, en route to see his uncle, Mr. Hunley, who is quite ill at Millville.

Mr. Pat. Newman, of Atlanta, Ga., is visiting his father and mother, near the Woodford line.

Of all men of all occupations, the farmer should feel himself doubly blessed this year, and be ready to pour out his heart-felt thanks on next Thanksgiving Day, more willingly, and devoutly than ever. There has never been a finer fall for all farm work, and especially can this be said to the benefit of the tobacco grower. There is no complaint of house burning or rot; and seeding time is now on, and it is all that could be asked. Surely nature does its part, let man do his. "Praise God from whom all blessings flow."

School has been closed this week, on account of the Teachers' Institute at Frankfort. Say, don't they have them mighty often?

A revival or protracted meeting, will be held at Grassy Springs Christian Church Sunday, October 4th. UNAH.

## Ladies

\* Realize perhaps more fully than any one else the value of a clear and beautiful complexion, and they also know how difficult it is to retain freshness and beauty, when confronted by so many diseases incident to females that sap their strength and undermine their health. Science progresses. There are two remedies, when used in connection, will cure any case of female weakness of short or long standing and restore the individual to perfect health very quickly. Dr. Hale's Household Ointment used in connection with Dr. Hale's Household Tea will accomplish the desired result quicker and better than any other known remedy. Large size 50 cents; sold at South Side drug store.

W. L. Coppersmith challenges comparison in workmanship on any repairs in his line. 234 St. Clair street. 45-ly.

## THE FIRST SYMPTOMS OF DEATH.

Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of poisoned blood. No matter how it became poisoned it must be purified to avoid death. Dr. Acker's English Blood Elixir has never failed to remove scrofulous or syphilitic poisons. Sold under positive guarantee.

J. W. GAYLE, Druggist.

## Come and See Us.

We have closed the store on Market street and transferred all our business to the store on the corner of Main and Lewis streets, opposite Farmer's Bank. We invite all of our old customers to call on us at our new store, where we will be glad to wait on them as usual.

## A DUTY TO YOURSELF.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick-headache and all liver troubles. They are small, sweet, easily taken, and do not gripe.

J. W. GAYLE, Druggist.

W. L. Coppersmith makes a specialty of fine work. Resetting diamonds, etc. 234 St. Clair street. 45-ly.

## Opera-Bouffe Company.

Among the leading Opera-Bouffe companies of the present season is prominently mentioned Reeves' English Company, which appears at the Opera House next Monday evening. The cast embraces such well-known names as May Duryea, Mae Sylvester, Clara Chessman, B. H. Seveer, Charles B. Ward, Charles A. Bradley, Frank Cloud and the celebrated grotesque dancer, Signor William Martini, so long a leading feature of the marvelous Chicago Opera House spectacular productions, "Crystal Slipper," "Bluebeard, Jr.," and "Sinbad." A strong feature of the production is the magnificent array of costumes, there being not less than four changes, each surpassing its predecessor in elegance. The music is in the hands of people who have charmed the entire country, and the select numbers are all fresh and the wit sparkling.

W. L. Coppersmith, the jeweler, is the leading repairer in the city. 234 St. Clair street. 45-ly.

W. L. Coppersmith, the jeweler, does the best of work at moderate prices. Call and see. 234 St. Clair street. 45-ly.

W. L. Coppersmith don't send work to other cities, but does all that is entrusted to him in his building, 234 St. Clair street. 45-ly.

## To the Teachers of Frank- lin County.

We, as the committee on programs, offer the following line of work to be carried out by the County Teachers' Association: We suggest that the study of Kentucky be taken up and thoroughly discussed. Six lessons will take us to the last of March. Let the first two lessons be on the geography of the State—physical and political; the last four on the history. In studying the history of the State we will of course become acquainted with its government. Let a teacher be elected who will conduct the recitation just as a class in school. Every teacher is requested to obtain as much information as possible on the subject, and to come into our class and give us the benefit of his knowledge. The following outline is the lesson for Saturday, Oct. 17th:

KENTUCKY.

1. As to Geography.
1. Physical.
1. Surface.
1. Drainage.
1. Climate.
1. Soil.
1. Resources.
1. Mineral.
1. Vegetable.
1. Animals.
1. Extinct.
1. Existing.

All persons interested in the cause of education are cordially invited to join our class.
